

# COMMUNITY IMPACT AWARD

The **Community Impact Award** is in recognition of an individual or organisation that has achieved outstanding results in terms of improving community outcomes.

## Judging Criteria

- Must be a member of Financial Advice NZ.
- Inclusivity: The individual/organisation demonstrates how it has engaged with diverse groups in the community to improve their outcomes.
- Positive change: The individual/organisation shows how it has created positive and lasting change for the community and addressing their needs, challenges, and aspirations.
- Community connection: The individual/organisation fosters a sense of belonging and connection among the community members enhancing their social and financial well-being.
- Legacy: The individual/organisation has a lasting impact on the community creating a ripple effect of benefits for future generations.

## Judging Process

1. Applications completed by the individual, organisation, or nominated by a member.
2. Submissions must provide details and evidence across all four criteria areas. It can be written and/or video including infographics.
3. The application will be supported by two referees.
4. Three judges will review and select the award winner.
